

MS. FOGLE'S NEWSLETTER

10/27/2025

GENERAL ANNOUNCEMENTS

- Research reports for the science fair should be finished by this Friday.
- Red Ribbon Week is this week
- **Please turn in VFW Forms no later than this Wednesday!**

VIRTUS TRAINING

- If you want to be a chaperone or volunteer, you must complete VIRTUS training as required by the Archdiocese.
- Please visit <https://stcletusschool.com/volunteering/> or reach out to the school office with any questions.

MATHEMATICS CLASS

- Both of my 7th and 8th grade sections have finished up their unit tests.
- 7th grade accelerated has been learning about percent change in real world money problems.
- 8th grade continues to work with functions. They are finishing up their project where they plan a vacation using functions.
- Tuesday 7th grade math has started and will continue learning about volume of 3D figures.

SCIENCE CLASS

- 6th grade is moving into investigating continental drift and how Earth's surface differs from what it looked like billions of years ago.
- 7th grade continues learning about different cell organelles and their functions.
- 8th grade is learning and experimenting with physical and chemical properties of substances.

7TH GRADE LANGUAGE ARTS

- We have just finished our 50-word vocabulary test this past week. 7th grade continues to build grade level vocabulary and take a 50 word cumulative test every 5 weeks.
- We will be learning and making use of different sentence structure and purpose in the coming weeks.
- **VFW contest essays and information sheets are due October 29th.**
