

Mandatory Health Requirements - 2027-2028 School Year

The following medical documents must be submitted two weeks prior to start of school:

Updated, signed medical forms are required for the following grades. By state law, exams must be completed within one year prior to the first entrance to the required grade.

Pre-K & Jr. Kdg: Physical Exam, including the Lead Questionnaire and diabetes screening completed by the child's healthcare provider and the Health History portion completed and signed by the parent/guardian. Proper documentation of the following childhood immunization series: Tdap, Polio, MMR, Hib, HepB, Pneumococcal, and Varicella.

Kindergarten:

- Physical Exam, including the Lead Questionnaire and diabetes screening completed by the child's healthcare provider and the Health History portion completed and signed by the parent/guardian. Proper documentation of the following immunization series: Tdap, Polio, MMR, Hib, HepB, Pneumococcal, and Varicella.
- Dental Exam
- Eye Exam

Grade 2: Dental Exam

Grade 6:

- Physical Exam, including the diabetes screening completed by the child's healthcare provider and the Health History portion completed by the parent/guardian. Proper documentation of the following series of immunizations: completed series of Tdap, Polio, MMR, HepB, Varicella, and the first dose of Meningococcal vaccine.
- Dental Exam

Grade 6, 7, & 8: Students are required by the State of Illinois to have proof they have received a Tdap vaccine against Pertussis.

All forms are due in the school office before the first day of school.

Exam Forms (physical, eye, and dental) are available at your physician's office(s).
